Coffee Bean Caffeine Eye Cream \$26

This cult favorite is just what's needed for dark, puffy or wrinkled eyes. Innovative caffeine eye cream helps to reduce puffiness, banish dark circles and minimizes the appearance of lines and wrinkles. It's free of chemicals and hormone disrupting parabens and is packed full of antioxidants and vitamins for healthy, youthful skin. Say goodbye to crow's feet and creepiness, and hello to elastic, hydrated skin!

Hand Buttercream \$12

Lavender or Honey Almond

It's easy to neglect your hands, especially during these cold winter months. They can quickly dry out if you're not giving them care and attention. All natural hand buttercream is the perfect remedy, giving you some much-needed hydration and nourishment for your hands. Rich buttercream moisturizes, softens and deeply nourishes, while anti-aging vitamins and antioxidants give your skin a more vibrant, youthful
